AGREEMENT

THIS AGREEMENT entered into by and between Bellmore-Merrick Central High School District (hereinafter called the "Board") and the Civil Service Employees Association, Inc., Local 1000, AFSCME AFL-CIO-Nassau Educational Local 865 (hereinafter called the "Association"). The term of this Agreement shall be three years, July 1, 2000 to June 30, 2003.

ARTICLE I - RECOGNITION

Section 1. The Board hereby recognizes the Association as the sole and exclusive representative for all personnel in the Civil Service Employees Unit IV, comprising clerical employees who are regular full-time employees.

Section 2. The Board agrees not to negotiate with any non-teaching employees' group other than the Association for the duration of this contract, except as may be otherwise required by law.

Section 3. A Labor-Management Committee composed of equal representation of the School District and the Association shall be formed to discuss current problems and programs. The Committee shall meet at the request of either party, but such meetings shall not be considered in any sense a meeting for the purpose of negotiating any changes or additions to this Agreement.

ARTICLE II - CONDITIONS

Section 1. Before the Board adopts a change in policy which affects salaries, fringe benefits, working conditions or matters related thereto which are not covered by the terms of this contract, the Board will grant the Association an opportunity to present its views on the policy change before it is announced to the public. The Board agrees to give due consideration to such views in arriving at its decisions on such major policy changes.

Section 2. Every reasonable effort will be made to insure that no employee works alone in a building on any shift.

Section 3. It shall be the duty of all personnel to see that all working conditions are safe from unnecessary hazards. Such situations should be reported to the administrators who will take appropriate action.

Section 4. Employees shall not be required to use their personal vehicles for District business.

Section 5. The Board shall have the right to require all employees covered by this Agreement to take periodic physical examinations. Such examinations shall be conducted at the Board's expense.

Section 6. Mimeograph machine operators shall be provided with appropriate coverings to help protect their clothing.

ARTICLE III - WORKING CONDITIONS

Section 1. Work Schedules: The work week shall be 35 hours, 5 consecutive days of 7 hours each, Monday through Friday, with a one-hour lunch period, for the regular school year schedule, from September 1 to June 30. For July and August and the three vacation periods, the work schedule shall be 8:00 AM to 3:00 PM, with one hour for lunch. Effective June 1, 2001, summer hours will include those days in June occurring after the conclusion of the work year for the faculty and those days in September occurring prior to the commencement of the work year for faculty. This contract provision will sunset effective June 30, 2003.

Section 2. Shift Staggering: Clerical employees may be assigned staggered work schedules at the discretion of their Administrator on a voluntary or seniority basis, such schedules to be determined once a year. The staggering of work schedules may apply when summer hours are in effect also. Changing of working hours shall be on a voluntary basis, where possible. Otherwise, personnel shall work whatever shift is assigned to them.

Section 3. Coffee Breaks: All full-time employees shall receive a coffee break not in excess of fifteen minutes in the morning and in the afternoon. On days when shorter hours are in effect, such employees will receive one morning coffee break not in excess of fifteen minutes.

Section 4. Emergency Closings: When the District declares an emergency closing of schools as a result of weather conditions, all clerical employees shall not be required to report to work on such day.

Section 5.

(a) All employees new to the District and appointed by the Board may be granted credit for prior related work experience as the Board may decide, except that upon appointment as full-time employees in the District, retroactive credit shall be given in all cases for part-time service within the past five years in the District on a pro-rata basis.

(b) No person shall be employed by the District in permanent non-teaching capacity who is not qualified under applicable Civil Service laws and regulations.

Section 6. Vacations

(a) Vacation Allowance:

Two weeks annual leave after one full year of service (for less than full year of service, vacation days shall be prorated), plus one week at Christmas, Mid-Winter or Easter vacations.

Effective July 1, 2001, in addition to two weeks of vacation leave after one full year of service, additional vacation leave will be earned as follows:

- 11 vacation days after six (6) full years of service
- 12 vacation days after seven (7) full years of service
- 13 vacation days after eight (8) full years of service
- 14 vacation days after nine (9) full years of service
- 15 vacation days after ten (10) full years of service

Three weeks annual leave after 10 full years of service, plus one week at Christmas, Mid-Winter or Easter vacations.

The one week (5 days) of vacation during the three holiday periods is given after one year of service. Employees must be on payroll to be eligible for these days. Employees who leave the district do not receive payment for these days if they are not used.

(b) Vacation Scheduling:

All vacations will be taken in July or August unless the Administrator considers it advantageous to the District to schedule vacations at other times. Vacation time preference to be granted on the basis of employee seniority.

Employees having three (3) weeks vacation can choose to take one week of this vacation any time during the school year with the approval of their Administrator.

If a legal holiday should occur during a vacation period, such vacation may be extended one day, or such vacation day may be taken at another time, with approval of the Administrator.

All vacation time must be taken during that fiscal year.

(c) Pro-Rating: If a starting date for full-time employment occurs on or prior to the 15th of the month, a full pro-rated day of vacation shall be credited for that month. If a starting date

is after the 15th there will be no vacation credited for that month. The same principle shall be applied in computing vacation for the last month of employment preceding termination.

(d) Compensation: Annual vacation compensation will be paid together with the employee's last pay check prior to the start of approved vacation, upon receipt of a written request from the employee, no later than four weeks prior to such vacation.

ARTICLE IV - GRIEVANCE PROCEDURE

Section 1. Definition:

(a) Any dispute concerning the interpretation or application of this agreement may be raised as a grievance by either party to this agreement.

(b) The District agrees to furnish to the Association any information which may be necessary in processing any grievance or complaint, whenever possible.

Section 2. Time Limits:

(a) Since it is important that grievances be processed as rapidly as possible, the number of days permitted to any party at any step should be considered a maximum, and every effort should be made by all parties to expedite the process.

(b) The primary purpose of the procedure set forth in this article is to secure, at the earliest level possible, equitable solutions to complaints or grievances of employees or groups of employees. Both parties agree that proceedings under this article shall be kept as informal and confidential as may be appropriate.

Section 3. General Principles:

(a) It shall be the firm policy of the Board to assure to every employee an opportunity to have the unobstructed use of this grievance procedure without fear of reprisal or without prejudice in any manner to employment status.

(b) The failure of an aggrieved party to raise a grievance in the prescribed time period, or to proceed to the next step within the time limits set forth, shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance. However, in the event new facts are obtained which were not previously known to the aggrieved, but which, if they had been known, might have influenced the disposition of the grievance, the presentation of such information to the parties in interest shall constitute grounds to reopen the grievance procedure at the level at which it had been terminated. Further, in the event a decision has been rendered in a grievance and the decision has not been

implemented or has been violated, the presentation of such evidence to the parties in interest shall constitute grounds to re-open the grievance at the level at which it had been terminated.

(c) At any level, the failure of an Administrator to communicate a decision to the employee within the specified time limits shall permit the employee to proceed to the next level.

(d) Forms for filing grievances, serving notice, taking appeals, making reports and recommendations, and other necessary documents, will be jointly prepared. The Board shall then print appropriate supplies of such documents and give them appropriate distribution so as to facilitate operation of the grievance procedure.

(e) Decisions rendered at each step of the grievance procedure shall be in writing, setting forth the decision and the supporting reasons therefore, and will be promptly transmitted to all interested parties.

(f) If, in the judgment of either party, a grievance affects a group or class of employees and appears to arise from the alleged action of authority higher than the principal of a school, or is associated with system wide policies, it may be submitted directly at Step 2, to be described below.

(g) If unable to accomplish it after the hours of employment, investigation of grievances as may be required shall be conducted during the hours of employment. In the course of such investigation, representatives of the Association will advise the principal of the building being visited of the purpose of the visit immediately upon arrival. Every effort will be made to avoid interruption of normal work activities and to avoid involvement of students in any phase of the grievance procedure.

(h) Nothing contained herein will be construed as limiting the right of any party having a grievance to discuss the matter informally with any appropriate member of the other party and having the grievance adjusted without imposition of the formal procedure, provided such adjustment is not inconsistent with the terms of this agreement.

Section 4. Steps in the Grievance Procedure:

(a) All grievances must be reduced to writing and submitted to the employee's administrator (or to the employee if the grievance is raised by the Board), within fourteen (14) days after the event giving rise to the grievance. A written answer to the grievance must be rendered with five (5) days.

(b) If not settled, the grievance may, within fifteen (15) days, be submitted to the Superintendent of Schools (or to the President of the Association). A meeting on the grievance

shall be held within five (5) days, and a written decision on the grievance rendered within five (5) days thereafter.

(c) If not settled, the grievance may, within fifteen (15) days, be submitted to the Board of Education, who shall consider the same at its next scheduled meeting and render a decision within five (5) days thereafter.

(d) If not settled, the grievance may, within fifteen (15) days thereafter, be submitted to final and binding arbitration before an arbitrator selected according to the procedures of the American Arbitration Association.

(e) The arbitrator so selected will hear the matter promptly and will issue a decision no later than fourteen (14) calendar days from the date of the close of hearings, or if oral hearings have been waived, then from the date the final statements and proofs are submitted to said arbitrator. The arbitrator's decision will be in writing and will set forth findings of fact, reasoning and conclusions on the issues submitted.

(f) The arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this agreement.

(g) The decision of the arbitrator shall be final and binding upon all parties.

(h) The costs for the services of the arbitrator, including expenses, if any, will be borne equally by the Board and the Association.

(i) The employee raising the grievance shall be present at all steps in the grievance procedure including arbitration. In a group grievance, a representative of the group of employees raising the grievance shall be present at all steps of the grievance procedure including arbitration.

The impartial panel shall have the authority to hold hearings and review submission of the parties, and shall render a decision sixty (60) days following their appointment. The employee shall acknowledge that the material has been read by affixing his/her signature on the actual copy to be filed, with the understanding that such signature merely signifies that the material to be filed was read and does not necessarily indicate agreement with its content.

Section 5. The employee shall have the right to answer any material filed and the answer shall be attached to the file copy.

ARTICLE XV - TRANSFER AND REASSIGNMENTS

Section 1. The Board recognizes that frequent reassignment and/or transfer of non-teaching employees from one school to another is disruptive to the efficiency of the maintenance of the district and interferes with optimum employee performance. Although the association also recognizes that some flexibility in regard to employee transfers must remain with the Administration, a substantial degree of stability must be provided for all employees. Therefore it is agreed as follows:

(a) Lists of non-teaching vacancies and/or new non-teaching positions created in the district shall be made available to all non-teaching employees. In filling such positions, preference shall be given to present employees over newly appointed employees and should be based on length of service and performance in the Bellmore-Merrick Central High School district; those applicants with the greater length of service and satisfactory performance may be given preference.

(b) When transfer or reassignment of employees is necessary, to the extent possible, all volunteers shall first be transferred and/or reassigned. In the absence of volunteers, transfers will be made on the basis of years of service to the District within the title; those lowest in service shall be reassigned first.

(c) On reassignment within a building, volunteers shall be sought. However, the Administrator shall make the final determination as to the placement of clerical personnel in the building.

ARTICLE XVI - ASSOCIATION BUSINESS

Section 1. Permission shall be granted for the use of District facilities for meetings provided space is available and it does not interfere with the work of employees covered by this agreement or with the operation of the school system.

Section 2. At least one bulletin board shall be reserved at an accessible place in each building for the exclusive use of the Association for the purpose of posting material dealing with proper and legitimate Association business, provided that such material is not derogatory of any school personnel or detrimental to the best interests of the District.

Section 3. The Association shall be afforded the use of school mailboxes once a month for the purpose of distributing its material upon permission and approval of the Superintendent.

Section 4. The Association Building Representative may call a meeting of the Association members, which will not interfere with the work schedule. Arrangements will be made for the time and place of the meeting through the Principal's office.

Section 5. The Board of Education reserves the right to see that generally accepted standards of good taste and honesty are maintained wherever the use of District facilities is involved.

Section 6. A total of three working days paid leave per year for the entire unit covered by this agreement will be provided for officials and members of the Association to attend official Association meetings, seminars, workshops and similar functions. Additional time may be given at the discretion of the Superintendent.

Section 7. When a District Personnel Selection committee is formed to interview for a specific position, members of the Association may be asked to serve. The Superintendent will determine the number of committee members needed, and the members will be appointed by the Unit after discussion with the Superintendent.

ARTICLE XVII - DUES DEDUCTION

Section 1. The Board agrees to deduct from the salaries of its employees dues for the C.S.E.A. as said employees individually and voluntarily authorize the Board to deduct, and to transmit such monies to the C.S.E.A. Employee authorizations shall be in writing.

Every member of the bargaining unit who is not a member of the Association shall, within thirty (30) days after the initial date of employment pay to the Association an agency fee. Such fee shall be equal to 100% of the membership dues of the association. The association shall forward to the fiscal or disbursing officer of the District a list of non-members and the sum of money to be deducted from each member's paycheck for the agency shop fee. Said amount shall be deducted from each member's paycheck in a manner equivalent to the manner in which dues deductions are made for members of the association, insofar as possible. The fiscal or disbursing officer shall forward said total amount of agency shop fee deducted to the Association.

Indemnity: The Association agrees to save and hold harmless the District from all loss, expenses, damages, costs and attorneys' fees that may accrue as a result of the aforesaid contract by reason of any actions or suits brought against the district by any employee in this unit of representation aggrieved by the implementation of the aforesaid agency shop provision of the aforesaid contract.

Participation in Legal Action: The Association will participate in all legal actions or proceedings brought which relate to the aforesaid agency shop clause to the fullest extent possible. If death should occur after the employee has provided proper notice, in writing, to the Board of Education, but before actual retirement, such increase in salary to which the employee would have been entitled to receive will be paid to the employee's beneficiary, if designated, otherwise to the estate of the employee.

After giving proper notice (thirty days) in writing, to the Board of Education of an employee's intention to leave the employ of the District for reasons other than retirement, involuntary separation or request for resignation by the Board of Education, such employee shall be granted an increase in current salary equivalent to current pay for accumulated unused personal sick leave in the district, in accordance with the following schedule:

- (a) Up to and including 15 years of service - 20% of accumulated personal sick leave
- (b) From more than 15 years to and including 20 years of service - 30% of accumulated personal sick leave
- (c) From more than 20 years of service - 50% of accumulated personal sick leave

If death should occur while in the employ of the District, such increase in salary to which the employee would have been entitled to receive shall be paid to the employee's beneficiary, if designated, otherwise to the estate of the employee.
